

Education Refund and Cancellation Policy

*If a class or camp cancellation is requested prior to 2 weeks before the first day of the class or camp, tuition minus a \$50 cancellation fee, will be refunded.

*If a class or camp cancellation is requested less than two weeks before the first day of class or camp, tuition will not be refunded but can be redeemed as a credit to another program offering within one year of initial date of purchase. Enrollment is dependent upon availability.

*If a class or camp cancellation is requested on or after the first day of class or camp, tuition will not be refunded. Registration holds a student's spot in a program, making it unavailable for other students to register for that spot. We hope your class is a great fit, but if on or after the first day of class you choose not to continue, tuition will not be refunded but can be redeemed as a credit to another program offering within the same session. Enrollment is dependent upon availability.

*If it is necessary to cancel due to illness, tuition will not be refunded but can be redeemed as a credit to another program offering within one year of initial date of purchase. Enrollment is dependent upon availability.

*If Live Theatre Workshop cancels a class before the first day of programming, tuition will be fully refunded.

*If Live Theatre Workshop must cancel a class during the term, tuition will be divided by the number of class days. A refund equivalent to the value of the cancelled days will be refunded.
